Mr. Thomas K. Latimer
Special Assistant to the Secretary
and Deputy Secretary of Defense
Room 3E941, Pentagon Building
Washington, D. C.

Dear Tom:

Enclosed is a copy of a list of ten "issues" which were discussed at today's meeting, with notes as to commitments which were made during the meeting accepting responsibilities for developing papers which the group could review.

No OSD representative was present, and the notation on No. 6, "CIA and OSD" merely reflects judgment by the group that both of these agencies were deeply involved in this matter and a joint effort, or two separate efforts, would be necessary.

I will be in touch with you as soon as we have determined who in CIA will have the actual action responsibility out here.

The agreement was that at our next meeting, presumably next Friday, each of the action agencies would indicate who was working on the paper and whether it was expected a draft could be ready within three weeks (25 April).

It may be that you will want OSD involved in more than No. 6, and if so, I would appreciate your advising me.

Sincerely,

Associate Deputy to the DCI
for the Intelligence Community
